

## **Denham / Shark Bay**

### **Information**

**08 9401 4666**

Thank you for joining us on a trip to Denham and Shark Bay,

Annually between through June and July, Blue Juice Charters provide outstanding Live-a-Board Charters from Denham to the amazing water around Dirk Hartog and Dorre Islands aboard our luxury live aboard vessel "Talasea II" for 6 nights and 5 magical days of fishing and island tours.

"Talasea II" is the newest vessel to the Blue Juice fleet offers you the ultimate in charter comfort, there is not another luxury yacht capable of taking you to these amazing island destinations off the West Australian coast.

The Luxurious interior features rich timber finishes and can accommodate 12 guests and four crew in six cabins with four bathrooms. The spacious saloon encompasses the chef's galley, with a bar and beer on tap. The flybridge and upper deck combine to make a fantastic entertainment area with outdoor kitchen, dining and large day beds..

"Talasea II" will continue to impress our clients with multiple spacious decks providing more room than ever before relaxing while below deck there are Cabins with more beds,.

When you get to the Denham, expect action and lots of it. Your days are filled with your choice of fishing, surfing, snorkelling or diving (please call us for diving information). The waters are teeming with Pelagics like Spanish Mackerel and Tunas. The reef areas around the islands are littered with Coral gardens and rock walls with Coral Trout and Snapper. Fishing the deeper waters is an eye opening experience with Red Emperors, Snapper, Crimson Sea Perch, Gold trevally, Big Robinson Sea Brim and more.

While "Talasea II" carries a full complement of trolling equipment, you are also encouraged bring along your own trolling rods and lures, some people like to own the gear they caught the Spaniard on.

"Talasea II" has a range of Shimano trolling outfits spin outfits, Penn Slammer III and Fin Nor braided outfits for you, all matched with Penn rods. Feel free to bring your own or use ours.

All trips are fully catered; your only requirement is to bring your clothes toiletries and alcohol. Blue Juice provides all deep sea fishing equipment, and trolling equipment. Trolling is an exciting part of fishing, you are welcome to bring your own lures and rods, or use the boats quality equipment the choice is yours.

#### **Equipment on board:**

- Penn Slammer III and Fin Nor braided spin outfits (credit card deposit required for breakages)
- Shimano light game trolling outfits
- "Talasea II" carries a vast range of lures and teasers

**Fishing Equipment**

Blue Juice Charters is equipped with a large amount of fishing gear, tackle and bait. Rods and reels are paid for on the following basis

Any rods or reels that are broken (through misuse) or dropped overboard will need to be paid for by the guest at our cost price. A credit card is required as security for all high end fishing equipment.

Passengers are welcome to bring their own rods and fishing gear. The Blue Juice Office staff are available to discuss this with you.

You will then have to settle your broken equipment account at the end of the trip via credit card, or cash. While every effort is made by our crew to ensure this tab is accurate it is each guest's responsibility to monitor this tab and ensure the items recorded are correct

**Foam Boxes to transport / fly fish back from Denham**

Foam Fish boxes are an additional \$20ea  
*please let us know when booking if you require a foam esky. These are not available at the last minute*
